"Best Darn Bagels in Town"

Did you know that we have the ONLY "Original New York Style" Bagels in Martin County... Really! Our bagels are made fresh every day by OUR bakers, then hand stretched and kettle boiled then baked in our stone oven!! Having an Office party or School function?? We will be happy to platter up any of our many varieties of bagels and don't forget the cream cheese!! Yes, you guessed it, we make all of our own cream cheeses in lots of flavors too!

Our mini bagels are just as delicious!! Please call and place your order, we need a one day notice, thank you!!

Wait... Our fresh made muffins are always a hit!! We make them here in our kitchen, we offer the traditional Blueberry, Banana Nut, Chocolate Chip, Coffee Cake, Carrot Cake, etc... and then we come up with our own creations like the "Boston Crème" or the "Coconut Crème". We also platter up a wide assortment of our own homemade mini turnovers, brownies, pastries, mini croissants, cookies, cinnamon rolls and more!!
